

SDC 8000 CV

Conference and Information Systems | SDC 8000

Cat. No. 009417

General Description

The digital SDC 8000 CV chairman's unit is an ideal choice for both mobile and fixed conference systems. Its compact and elegant design harmoniously blends in with any conference room. The unit features a high-quality built-in loudspeaker, providing excellent sound at a pleasant volume. By pressing the Mic key, the chairman can make a comment any time. At multi-lingual conferences, the translated languages can be listened to via headphones. The SDC 8000 CV chairman's unit features chip card identification and allows to start and stop votings. The results are conveniently displayed on the unit's LCD display.
