

Remote Microphone

Model 4805

1. 2.5 and 3.5mm plugs
 2. On/off switch for remote operation
 3. Includes mic stand
 4. 6' cable
- One year warranty for school use - unlike microphones purchased from consumer electronics stores whose warranties would be voided if used in schools

The 4805 Remote Microphone is for language learning situations. With its 6' cable, dual plugs and rugged ABS plastic casing, it will withstand the heavies of school uses.
