

TECHNICAL INFORMATION

Makita

New Tool

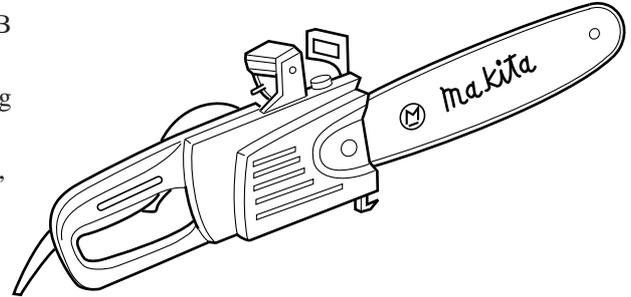

Models No. ▶ 5014B

Description ▶ MAKITA 335mm(13-1/8") Chain saw

CONCEPTION AND MAIN APPLICATIONS

For this machine, the cutting length capacity for the 5011NB is enlarged by 60 mm and the power-increased motor has upgraded the chain speed by about 50% to get more working efficiency.

While the 5011NB is aimed for use in the home application, this machine is developed for the professional users.
