WARRANTY

ADESSO provides one year limited warranty for the quality of all its products in materials and workmanship.

During this period, ADESSO will repair or replace all merchandise, which proved to be defective. However, ADESSO will not warranty any product which has been subjected to improper freight handling, shipping abuse, neglect or unauthorized repair or installation. The warranty also will not cover products installed with Non-ADESSO components and product with broken sealed and assembly trace. After replacement of RMA, ADESSO reserves the right to request the total cost of the replacement products with broken seals or assembly trace.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you, provided you return it during the warranty period with transportation charges pre-paid to Adesso. You must contact Adesso at support@adesso.com for a Return Merchandise Authorization number (RMA) prior to returning any product. For each product returned for warranty service, please include your name, shipping address (no P.O. Box), telephone number, copy of the bill of sale as proof of purchase and have the package clearly marked with your RMA number.

2. Select Bluetooth Mouse and click Continue for auto pairing

5. Click **Finish** to complete the connection.

4. Select Don't use a passkey

and click Next.

Add Bluetooth Device Wizard

o you need a passkey to add your device

C Let me choose my own p

Don't use a passkey

To answer this question, refer to the "Bluetooth" section of the documentation that came with

You should always use a <u>passkey</u>, unless your device does not support one. We recommand using a passkey that is 2 to 15 digits long. The longer the passkey, the more secure it will be.
