Important safety instructions

Before getting started, read these instructions and save them for future reference.

- Do not drop or hit your mouse.
- Do not use your mouse in a location that is subject to strong vibrations because vibration may damage your mouse.
- Do not disassemble or modify your mouse in any way.
- Disassembly or modification may void your warranty and could damage your mouse leading to a fire or electric shock.

- Do not use or store your mouse in damp locations. Liquid entering your mouse may cause damage or lead to fires or electric shock.
- Do not insert metal objects, such as coins or paper clips, into your mouse.
- Your mouse is for general computer use. Do not use your mouse with a computer that requires exceptional reliability, especially if a breakdown or malfunction might jeopardize life or health, such as aerospace equipment, atomic power control systems, traffic-related equipment, transportation equipment, industrial robotics, combustion equipment, safety devices, and life-support systems.

System Requirements

- Pentium 133 MHz processor or higher

Using your mouse

To use your mouse:

- 1 Press the left and right mouse buttons to perform standard left and right button functions.
- 2 Use the scroll wheel to scroll up and down the screen.
- 3 Press and hold the scroll wheel down, then move the mouse up and down to scroll up and down the page.

Troubleshooting

If you have any problems with your mouse, check the following:

- Make sure that your laptop meets the system requirements.
- Make sure that your mouse is securely connected to a USB port on your laptop.
- Only use the mouse on a clean, flat, non-slippery surface to ensure smooth and accurate cursor action.
- If your laptop BIOS setup has mouse options, make sure that they are set to default settings. If you are not familiar with the BIOS, refer to your laptop's manual for more information.
- If your mouse fails to work, check the USB mouse function in your laptop's BIOS. The function should be enabled for normal use.
- For further assistance with any other questions you may have, contact support call (800)305-2204 for technical support.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation of this product is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply within the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced technician for help.

Canada ICES-003 statement

This Class B digital apparatus complies with Canadian ICES-003.

One-Year Limited Warranty

Dynex Products ("Dynex") warrants to you, the original purchaser of this new **DX-PWLMSE** ("Product"), that the Product shall be free of defects in the original manufacture of the material or workmanship for a period of one (1) year from the date of your purchase of the Product ("Warranty Period"). This Product must be purchased from an authorized dealer of Dynex brand Products and packaged with this warranty statement. This warranty does not cover refurbished product. If you notify Dynex during the Warranty Period of a defect covered by this warranty that requires service, terms of this warranty apply.

How long does the coverage last?

The Warranty Period lasts for one year (365 days) from the date you purchased the Product. The purchase date is printed on the receipt you received with the Product.

What does this warranty cover?

During the Warranty Period, if the original manufacture of the material or workmanship of the Product is determined to be defective by an authorized Dynex repair center or store personnel, Dynex will (at its sole option): (1) repair the Product with new or rebuilt parts; or (2) replace the Product at no charge with new or rebuilt comparable products or parts. Products and parts replaced under this warranty become the property of Dynex and are not returned to you. If service of products and parts are required after the Warranty Period expires, you must pay all labor and parts charges. This warranty lasts as long as you own your Dynex Product during the Warranty Period. Warranty coverage terminates if you sell or otherwise transfer the Product.

How to obtain warranty service?

If you purchased the Product at a retail store location, take your original receipt and the Product to the store you purchased it from. Make sure that you place the Product in its original packaging or packaging that provides the same amount of protection as the original packaging. If you purchased the Product from an online web site, mail your original receipt and the Product to the address listed on the web site. Make sure that you put the Product in its original packaging or packaging that provides the same amount of protection as the original packaging.

To obtain in-home warranty service for a television with a screen 25 inches or larger, call 1-888-BESTBUY. Call agents will diagnose and correct the issue over the phone or will have an Dynex-approved repair person dispatched to your home.

Where is the warranty valid?

This warranty is valid only to the original purchaser of the Product in the United States, Canada, and Mexico.
