

Model: Accuratus 573

Part Code: KYBAC573-PS2BLKHY

About

The Accuratus 573 from Ceratech is a brief sized infra red cordless keyboard with an inbuilt Tracker Ball.

With no wires the 573 gives great freedom allied to great looks.

Although new to the range the 573 uses the same ultra reliable membrane technology and laser etched keys as found on other Accuratus keyboards which ensures the characters remain fresh throughout the products life.

Small size - More freedom
