

Goldtouch Ergonomic Keyboard

The Goldtouch™ ergonomic keyboard is adjustable both vertically and horizontally to help create the perfect ergonomic working position, with hands, wrists and arms naturally positioned for improved comfort and productivity.

Despite the space-saving footprint this keyboard has an integrated number pad.

Benefits:

- Easily adjusted; locking ball and socket latch mechanism
- Space saving footprint brings the mouse in the ergonomic 'comfort zone'
- Large space bar
- Low noise key actuation
- Standard UK alphanumeric key layout (QWERTY)
