

Accuratus 298 USB Keyboard

Part Code: KYBAC298-USBHY

In-Built PS/2 Port on either side (see inset)

About

The Accuratus 298 from Ceratech combines USB keyboard with 2 PS/2 ports in one package.

Simply plug it into a standard USB port and then connect your existing PS/2 accessories right at the keyboard face.

Complete with a detachable palmrest, the 298 provides tactile keys and membrane technology to assure long term comfort.

All keys legends on the 298 are laser etched which ensures the characters remain fresh throughout the products life.

Simple, practical, effective, brilliant!
