

# Classroom Cassette Player / Recorder

## Model 3432AV

1. Built-in electret mic records student achievements and can't be misplaced
2. 3W RMS speaker loud enough for up to 50 people
3. Rugged ABS plastic casing and handle for added durability and school safety
4. Auto-stop feature prolongs life of cassette tapes
5. Five built-in 1/4" headphone jacks for group learning
6. Volume control
7. Tone control convenient 2 x 3 digit counter
8. Additional 1/4" headphone jack with one headphone / speaker jack for independent study or group learning
9. 1/4" auxilliary input connects other media players
10. 3.5mm mic and 2.5mm remote mic inputs for recording
  - Cue & Review for lesson flexibility
  - Runs on AC/DC power for indoor/outdoor uses
  - One year warranty for school use - unlike cassette players purchased from consumer electronics stores whose warranties would be voided if used in schools

Designed to connect up to 7 headphones at one time, the versatile 3432AV is an ideal AV tool for language learning, literacy groups, ELL / ELD applications and library uses. Standing it upright takes advantage of its "Directional Sound" feature which distributes the sound towards the audience not at the ceiling.
