

Cassette Player and Recorder

Model 1300AV

1. 500mW amplifier loud enough for class sizes up to 20 people
2. Permanently attached 6' two-wire cord for safety
3. Built-in mic records student achievements, can't be misplaced
4. Auto-stop feature sustains life of cassette tapes
5. Rugged ABS plastic exterior for added durability and safety
6. Optional remote mic for recording flexibility
7. Headphone jack for independent study or connect a jackbox for group learning
8. Convenient 2 x 3 digit counter
 - Runs on AC/DC power for indoor / outdoor flexibility
 - Auto Logic Control (ALC) ensures level audio recording
 - One year warranty for school use - unlike cassette players purchased from consumer electronics stores whose warranties would be voided if used in schools

The Budget Recorder/Player is educator tested and proven in library and classroom listening centers, music/movement/story time activities, literacy groups, ELD and ESL applications.
