

Economy Cassette Player and Recorder

Model 3132AV

1. Built-in electret mic records student achievements and can't be misplaced
 2. 1W RMS speaker loud enough for classes up to 30 people
 3. Auto-stop feature sustains life of cassette tapes
 4. Rugged ABS plastic casing and handle for added durability and is safe for school use
 5. Cue & Review for lesson flexibility
 6. 3.5mm mic & 2.5mm remote mic inputs for recording
 7. Convenient 2 x 3 digit counter
 8. Three built-in 1/4" headphone jacks and one headphone / speaker jacks for independent study for group learning
- Runs on AC/DC power for indoor/outdoor uses
- Permanently attached 6' two-wire cord for safety
 - Auto Logic Control (ALC) for level audio recording
 - One year warranty for school use - unlike cassette players purchased from consumer electronics stores whose warranties would be voided if used in schools

Designed for individual and group classroom and listening, this durable recorder/ player can accommodate up to four students at one time. The 3132 is educator tested and proven for language learning, literacy groups, ELL / ELD applications, literature and science studies.
