Congratulations on purchasing your new RCA Player.

Please read these instructions for quick tips on using the player.

Getting started

- Install the battery into the player:
 - Apply thumb pressure to slide the battery compartment cover in the direction of the arrow, then remove the cover.
 - Insert the supplied AAA battery, following the polarity marks in the battery compartment.
 - Reinstall the cover.
- Rotate the USB plug out of the player body and connect the player to your PC as shown.
- The RCA easyRip™ Media Software installer is stored on the player. Go to **My Computer** (XP users) / Go to **Computer** (Vista and 7 users) in the Start menu, find and open the drive letter associated with the player (i.e. RCA MP3) and then double-click the **rcaeasyrip_setup.exe** file to launch the installer.
- Transfer audio files to your player using either of the two methods below:
 - RCA easyRip:** Helps to rip CD's, create playlists, load content and manage your library with an intuitive and modular design. Click the easyRip icon () on your PC desktop to launch the software.

v1.0 (1.0.1.0) (EN/E)

- For details in using RCA easyRip, click the **Help** icon () on the module dock.
 - Windows Explorer:** Simply drag and drop media files onto the drive letter associated with the player.
 - Your RCA Player is also compatible with most PC music management softwares.
- Disconnect the player from your PC by clicking the **Safely Remove Hardware** icon () in the system tray (located in the lower right corner of your screen) and selecting the player from the list of devices, then unplug the player from the PC.

Learn more about the player

- To view the user manual directly from the player:**
 - Click **Start**.
 - Click **My Computer** (XP users) / Click **Computer** (Vista and 7 users).
 - Find and open the drive letter associated with the player (i.e. RCA MP3) and then open User Manuals folder.
 - From the User Manuals folder, select the user manual in your preferred language for more information on the player's features, safety and warranty information, and answers to Frequently Asked Questions (FAQ's).
- Keep player out of direct sunlight. Exposure to direct sunlight or extreme heat (such as inside a parked car) may cause damage or malfunction.**
