Transferring media files to the player

1. Find music, picture, or video files on your computer.

2. Connect the MP3 Player to your computer, and locate **"MP3"**.
3. Drag and Drop or Copy and Paste the files to the appropriate file type folder (MUSIC, PICTURES, VIDEO, etc.).

Drag or copy files to the correct folder

MUSIC   PICTURES   VIDEO

MP3 (G:)

Locate **"MP3"**
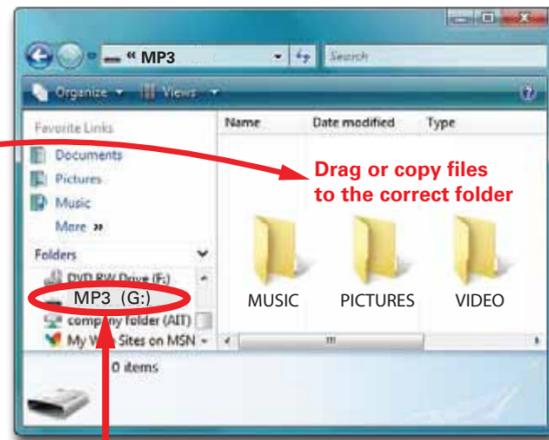

When you are done, disconnect your MP3 Player from the computer using the **"Safe Device Removal"** utility in the taskbar.

IMPORTANT: *Do not disconnect the MP3 Player from the PC while transferring files as doing so will damage the MP3 Player and your files.*

NOTE: *Screenshots above may be slightly different than your computer's operating system.*

Music

To play music
1. Select **"music"** from the main menu and press the **[►II]** button to confirm.

Troubleshooting

Can not power on
• The battery may be exhausted, please recharge the battery.
• Check that the **[POWER]** switch is in the **ON** position.
Files can not be transferred to the player
• Check if the driver is installed correctly in the computer by disconnecting and then reconnecting the player to the computer
• Check the connection between the player and PC, and confirm the USB cable is properly connected.
Player not reconginzed by computer
• Check the connection between the player and PC, and confirm the USB cable is properly connected.
• Check that the **[POWER]** switch is in the **ON** position.
No sound from the headphones
• Please ensure the volume is turned up, and the headphones are properly connected.
• Check if the format of music file is supported by the player.
Can not record
• Check if there is enough memory and battery capacity.
Display is in the wrong language
• Please ensure you selected the correct language from the **"Settings"** menu.
The buttons do not work
• Slide the **[POWER]** switch to the left to unlock the player.
I cannot display my .jpg files
• Many digital cameras and image editing softwares add hidden data to the .jpg files. This data can prevent the player from loading the images. Try to eliminate them by saving the file with another name.

Warranty

In the unlikely event that this product is defective, or does not perform properly, you may within ninety (90) days from your original date of purchase return it to the authorized service center for repair or exchange.

TO OBTAIN WARRANTY SERVICE:

- Provide proof of the date of purchase within the package (Dated bill of sale)

- Prepay all shipping costs to the authorized service center, and remember to insure your return.

- Include a return shipping address (no P.O. Boxes), a telephone contact number, and the defective unit within the package.

- Describe the defect or reason you are returning the product. Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping, will require you to file a claim with the carrier.

The shipping address of the authorized service center is:

Southern Telecom, Inc.
ATTN: Customer Service (2nd Floor)
14-C 53rd Street
Brooklyn, NY 11232

Should you have any questions or problems concerning this product, please contact our customer service department at:
