

AV400 Series

AV480 (AV420 model also available)

The ARCHOS AV400 Series Pocket Video Recorder is the ultimate handheld digital recorder that offers video recording and a portable multimedia center in one pocket-sized device.

The AV400 enables you to record video directly from a composite or monochrome video source with a convenient set-up Cradle. The AV400 allows you to playback videos and view photos on the large color LCD screen, listen to and record audio, transfer photos from your digital camera and data files from your PC.

Features

- Record store and watch up to 320 hours* of video content from any composite or monochrome source using the Cradle
- Up to 4 1/2 hours of video playback on the color LCD while on the go
- Download / transfer / record between up to 1200* hours of audio
- Store and view up to 800,000* JPEG photos
- Play MP3, WMA (including protected files) and WAV audio files
- Download and store files from a PC

* Average depending on version from 20 to up to 100 GB

Accessories

- Convert SM/SD/MMC/MS cards to standard CompactFlash format
- Supports SM/SD/MMC/MS specifications
- Plug & play, hot swapping operation
- Compatible with AV400 and AV300 series
- 4-1 CompactFlash Adaptor for transferring photos from SM, SD, MMC and MS memory cards of digital cameras

(Note : this module must be used with the ARCHOS CompactFlash Reader (ref. 500561) in order to be compatible with the AV 300 series.)

- Audio/video cable to connect to a TV or a stereo
- Input adapter for recording audio or video from analog sources
- 5 Volt Car Adaptor for recharging the AV400 while in the car
- Carrying Case for easily transporting the AV400
- Traveler Audio Video Kit for video recording and playback when on the go

Specification

| | |
|----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
