Model #: P450-006

Computer Cable, 6-ft. Null Modem Gold Cable DB9F to DB9F

Highlights

- Superior molded cables with integral strain relief and foil-shielding for maximum EMI/RFI protection
- Gold-plated connectors provide superior conductivity
- Null modem cables connect two serial devices that require a null modem configuration

Description

Null modem cables and adapters connect two serial devices that require a null modem (cross-wired) configuration. This 6ft cable has a DB9 female connector on each end. Superior molded cables with foil-shielding offer maximum EMI/RFI protection. Gold-plated connectors and contacts provide superior conductivity. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

System Requirements

- Two serial devices with DB9M connectors requiring a null modem (cross-wired) configuration

Package Includes
