SVGA / VGA Gold Right Angle Monitor Cable w/RGB Coax - 25 ft

Highlights

- Right Angle connection at one end for tight spaces
- 75ohm Coax conductors for RGB signals
- Superior molded cables with foil-shielding for maximum EMI/RFI protection
- Resolutions up to 2048 x 1536

Description

Tripp Lite's 25 foot SVGA/VGA Right Angle monitor replacement cable is the gold standard in video cables. One end features a super-slim right angle connection for tight spaces, i.e., behind a PC. The mini-coax (RGB) and paired video wire construction delivers superior signal quality. Gold plated connectors and gold plated copper contacts ensure excellent conductivity. Double shielding (foil and braid) provides maximum EMI/RFI protection. Both high density DB15 male connectors are molded and have integral strain relief to ensure they last a lifetime. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Package Includes

25-ft. SVGA/VGA Monitor Cable Right Angle HD15M to Straight HD15M Gold Connectors w/ RGB Coax

Features

- Right Angled connection for installations with space constraints
- Superior molded cables with foil-shielding for maximum EMI/RFI protection
- Constructed from mini-coax (RGB) and paired video wire construction for superior signal quality.
- Gold plated connectors and gold plated copper contacts ensure excellent conductivity.
- Right Angle HD15 male to Straight HD15 male molded connectors
- Resolutions up to 2048 x 1536
