

# ***Release Notes***

## **Aurorean Network Gateway-1100**

---

### **Introduction**

This document provides up-to-date information on Version 1 of the ANG-1100. For complete information on both models in the series, the ANG-1102 and ANG-1105, refer to the *ANG-1100 Series User's Guide*. If there are discrepancies between the information in that document and these *Release Notes*, follow the information in these *Release Notes*.

This document covers the following topics:

- Where to find more information on ANG-1102/1105 software
- Contacting Enterasys Networks

This information is also available as a text-only README file that can be accessed ANG-1100 System CD ROM.

### **More Information on the ANG-1100**

Enterasys Networks provides a comprehensive set of documentation for the ANG-1102/1105. For quick access to key information and the greatest degree of portability, this documentation comes in these forms:

- On-line Help
- Adobe® Acrobat® Reader Portable Document Format (PDF) files

### **HTML Help**

The On-line Help is shipped with the ANG-1102/1105.
