## Checking the accessories

Make sure you have the following items with your headset : Charger, User guide

### ☑ NOTE:

The items supplied with your headset may vary depending on your region.

## Charging the headset

Put the charger into the jack on the headset and into the electrical outlet. Charge the headset until the red indicator light turns blue.

### ☑ NOTE:

- Do not attempt to charge the headset with anything other than the charger provided.
- You can use your headset while charging.

## Your headset overview

### ☑ NOTE:

Depending on which ear you will wear the headset, simply adjust the ear hook accordingly.

## Turning the headset on or off

To turn the headset on, press and hold the talk button until the blue indicator light flashes 4 times.

To turn the headset off, press and hold the talk button until both blue and red indicator lights flash.

## Understanding various modes

- **Standby mode:** The headset is waiting for a call. The blue indicator light flashes every 3 seconds.
- **Active mode:** The headset has a call in progress. The blue indicator light flashes every 8 seconds.
- **Pairing mode:** The blue indicator light stays lit. You can discover and connect to your headset on your phone.
- **Low battery mode:** There is less than 10% of battery power left. The red indicator light flashes. You must recharge the battery.

## Pairing with your Bluetooth phone

- 1 Enter Pairing mode.
  - Turn off your headset and press and hold the talk button until the blue indicator light remains lit after blinking.
  - If you turn it on for the first time, it proceeds into Pairing mode immediately.
- 2 Search for and pair with your phone according to your phone's user guide. (Bluetooth PIN: 0000, 4 zeros)
  - If the pairing is successful, the blue indicator light will flash 10 times rapidly before entering Standby mode.
  - If the blue indicator light remains lit, retry pairing.

### **NOTE:**

When the headset and the phone are paired, the headset attempts to reconnect automatically each time it turns on. Otherwise, press the Multi-function button to reconnect.

## Using call functions

Some features may not be supported by your phone.

### **In Standby mode**

Press the talk button to:

- Answer an incoming call
- Make a voice-activated call
