## Label† / Label Cover Installation & Removal - (screwdriver required)

1.

Label †

Label Cover

2.

3.

4.

† Write on labels are not included with these Patch Panels per TIA/EIA-606-A standard which states: "To maximize legibility, all labels shall be printed or generated by a mechanical device, and shall not be written by hand." (Refer to table below for label products)

All cables should flow directly into vertical cable managers on the corresponding side of the Angled Panel.

Recommended cable routing for terminated modules.

Recommended cable routing for patch cords.

ULTIMATE ID Label Part Numbers

Label Part #	Height	Length	Color	Std. Pkg. Qty.
Computer Printable Labels				
UILJ4	.236"	2.585"	White	5 sheets
Non-Adhesive Label Cassette (for use with *PANACEA* LS7 Thermal Transfer Printer)				
*UILS7BW	1/4"	26.2'	Black / White	1

* See *PANDUIT* LS7 Operations Manual to explain serialized function for label printing and page function for non-serialized label printing.
