Headset Hookswitch Control Adapter

For Cisco Unified IP Phone models 7975G, 7965G, 7945G, 7962G, and 7942G

→ ● • • → **QUICK START GUIDE**

Model: APC-4

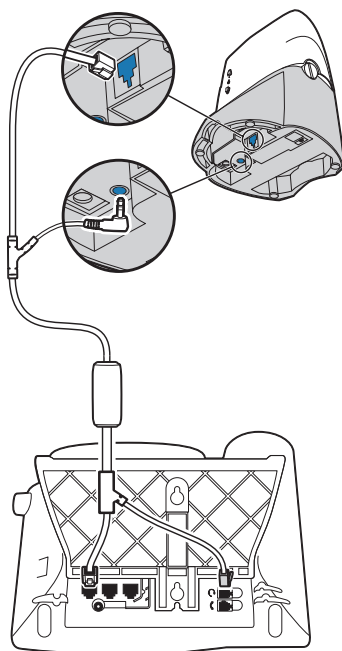

WELCOME/INFORMATION

Welcome! This Quick Start Guide provides information for the installation and use of the Headset Hookswitch Control (HHC) adapter compatible with Cisco Unified IP Phone models 7975G, 7965G, 7945G, 7962G, and 7942G.

The HHC adapter enables wireless electronic hookswitch control and telephone ringer alert for Plantronics CS50, CS60, CS70, DECT headset families and Voyager 510 Bluetooth headsets.

INSTALLATION

Connect the HHC adapter as shown in the diagram. Consult the headset user documentation that came with the headset for further details regarding installation. HHC software functionality must first be enabled through the Cisco Unified Communications Manager Administration application. Contact your system administrator to activate this feature.

IMPORTANT SAFETY INFORMATION

Please read the following instructions before use:

- The HHC adapter is suitable for indoor use only.
- Use only with Plantronics CS50, CS60, CS70 and Plantronics Voyager 510S wireless headsets and Cisco Unified IP Phones 7975G, 7965G, 7945G, 7962G, and 7942G.
- Do not spill liquid of any type on the product.
- Do not immerse in any type of liquid.
- To reduce the risk of electrical shock, do not disassemble this product yourself.
- Keep all products, cords and cables away from operating machinery

USING THE CISCO HHC ADAPTER

Ring Alert Signal: The HHC adapter automatically sends a ring alert signal to the headset when the phone rings.

Headset Hookswitch Control: The HHC adapter facilitates hookswitch control remotely, eliminating the need to remove and replace the handset when placing, receiving, or ending a call. To place, receive or end a call, press the Call Control Button on the headset - the phone will go off and on-hook electronically. Consult the headset user documentation that came with the headset for further details on operation.

WARRANTY AND SERVICE

- Plantronics guarantees the satisfactory condition of the equipment with regard to manufacturing and material defects for 1 year from the date of purchase. [Please retain the original receipt and refer to the Limited Warranty Terms and Conditions, available at: www.plantronics.com/warranty, for warranty details and requirements].
- This product should be installed and used in accordance with the instructions covered in this Quick Start Guide.
- This does not affect your statutory rights.

WEEE DISPOSAL INFORMATION

Products labelled with the symbol of a crossed-out wheelee bin as shown below are electrical and electronic equipment. The crossed-out wheelee bin denotes that waste electrical and electronic equipment must not be disposed with the remainder of non-separated household waste, but should instead be collected separately as prescribed by the local laws and regulations. For more detailed information, please refer to our website www.plantronics.com
