### Vivitar One Year Warranty Card

This warranty covers the original consumer purchaser only and is not transferable. It covers products that fail to function properly UNDER NORMAL USAGE, due to defects in material or workmanship. Your product will be repaired at no charge for parts or labor for a period of one year from the original date of purchase.

### What To Do When Service Is Required:

When returning your defective product (postage pre-paid) for service, your package should include a copy of the original bill of sale, a detailed written description of the problem, and your return address and telephone number.

Operating Your V11788 Universal USB Wall Adapter

**Charging Devices Indoors**

You can use the included Universal USB Wall Adapter to power devices through the standard AC power outlets in your home. To do so, insert the included Universal USB Wall Adapter into a standard AC wall outlet. Next, insert one end of your device's USB power cable (not included) into the device which you would like to charge and insert the other end into the USB port on your Universal USB Wall Adapter. Once connected, your device will charge.

**Note: Do not use this wall adapter to charge devices with an amperage rating higher than 1A. Your wall adapter should not be used by children or the infirm.**
