

# EPSON STYLUS PHOTO PX700W

The Epson Stylus Photo PX700W features Claria™ Photographic Ink and built-in Wi-Fi, so you can produce photos that exceed lab-quality from anywhere in your house.

The new Epson Stylus Photo PX700W is an all-in-one for the serious photographer. It prints photos that look better and last longer than those from the photo lab, making it the ideal partner for your D-SLR or compact camera.

The stylish and compact design will complement even the most contemporary living environment, and when connected to your wireless network it prints and scans from wherever you want.

The twin paper trays give the flexibility of printing photos and documents without exchanging paper. You can even personalise your CDs/DVDs by printing directly onto suitable discs. Your talent and our technology – a winning combination.

- All-in-one for the serious photographer
- Stylish and contemporary design
- Photos exceed lab quality
- Integrated Wi-Fi and Ethernet
- Prints onto suitable CDs and DVDs
- Save money with individual inks

**EPSON**<sup>®</sup>  
EXCEED YOUR VISION
