

**Our commitment to  
the environment**

**This Product is RoHS compliant:**

- Mercury-Free Battery
- Lead-Free Components
- No Cadmium,
- No Hexavalent Chromium

## DH-21

### 8-Digit Big Display Pocket Calculator

- 8-Digit Big Display
- Great for Home, Office or School
- Slim Design
- Great for Students of all ages

Operation Manual:

| Function      | Press        | Displayed |
|---------------|--------------|-----------|
| Add           | 152 + 38 =   | 190       |
| Subtract      | 78 - 22 =    | 56        |
| Multiply      | 22 x 12 =    | 264       |
| Divide        | 312 ÷ 6 =    | 52        |
| Square Root   | 225 √        | 15        |
| Percentage    | 100 x 6 %    | 6         |
| Deposit       | 500 M+       | M 500     |
| Withdraw      | 100 M-       | M 100     |
| Balance       | MRC          | M 400     |
| Clear Balance | MRC MRC ON/C | 0         |

## DS-700

### 224 Functions 2-Line Display Scientific Calculator

- Fixed decimal option
- Statistical and Regression (Capability of Production CP,CPK and 6 series regressions)
- Degree, Minute, Seconds calculation
- Polar/Rectangular coordinate transformation
- Fraction calculations
- 224 Functions (209 functions excluding memory)
- Max. 9 Pending Values
- Max. 24 Pending Operations
- 8 steps Store/Recall

This unit is ideal for Mathematic Calculations, Trigonometry, Statistics, and Algebraic functions.
