MODEL NO. Archer T2UH

7106505283 REV2.0.1

EAC

For more information, please visit our website: http://www.tp-link.com

1 Connect to a Computer
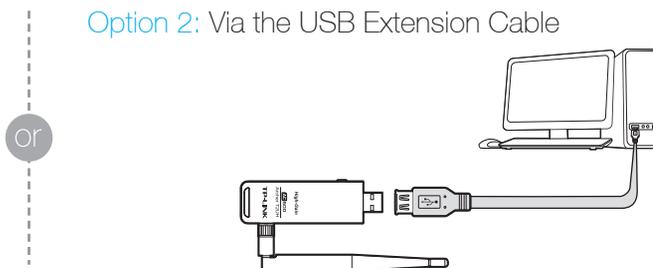

Option 1: Directly

Option 2: Via the USB Extension Cable

or

Note:
1. In Windows XP, a **Found New Hardware Wizard** window will appear when the adapter is detected. Please click **Cancel**.
2. In Windows 8.1, the adapter is able to search for Wi-Fi networks after being inserted, but it will not function properly until you install the driver and utility below.
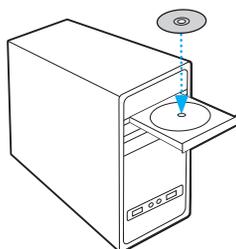

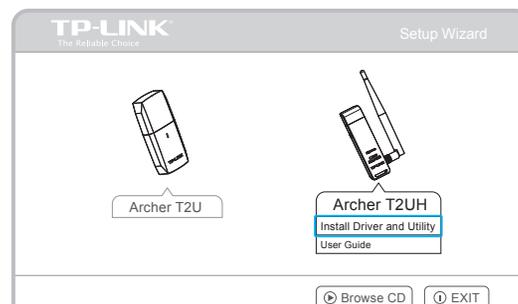

2 Install Driver and Utility

You can also download the driver and utility at **www.tp-link.com**

A: Insert the CD and click **Run Autorun.exe** from the pop-up Autoplay window.

Note: In some operating systems, the CD screen will pop up automatically. Otherwise, run the CD manually.

B: Select Archer T2UH and click **Install Driver and Utility**, then follow the InstallShield Wizard to complete the installation.
