Arnold Palmer

Yes, you can.™

Team Invacare's Matt Updike ponders what to play next.

One Chair, Unlimited Positions, So Many Sports.

Introducing the new Invacare® Top End® Transformer™ Sports Chair which will change the way you play. Now you can play it all. The Transformer is adjustable in everyway:

SIT TALL OR LOW Adjust the front and rear seat-to-floor heights, and back height, then dial in your center-of-gravity, footrest height, angle and depth position.

SQUEEZE IT It is quick and simple to adjust the rear seat height plus it is equipped with a removable and adjustable swivel anti-tip bar so that you can move from sport-to-sport seamlessly.

OFFENSE OR DEFENSE The offensive wing and bumper are designed for playing contact sports such as basketball, hockey or football and can easily be removed for your transition to play tennis or other sports.
