

# Custom Made Stainless Steel Sink Tops and Countertops

## LIST PRICE CUSL-31

**Effective: December 4, 2006**  
**Supersedes CUSL-30**

Elkay's reputation for attention to fabricating details and superior craftsmanship in working with corrosion resistant stainless steel extends well over 80 years. Elkay will also counsel in the design and layout planning of your requirements.

## TERMS AND CONDITIONS

### Pricing

All prices and product specifications are subject to change without notice. Prices are F.O.B. factory. No freight allowance.

### Taxes

All Federal, State or Local Taxes when appropriate to be added.

### Electronic Data Interchange (EDI)

Elkay supports the following EDI transaction sets: Inbound Purchase Orders (850), Outbound Invoices (810), Advanced Ship Notice (856), Inbound Remittance Advice (820) and Outbound Order Acknowledgement (855). Please contact Elkay's EDI Coordinator at (630) 574-8484 to discuss the list of current transaction set versions and your implementation requirements.

### Cancellation

On custom made models designed to customer's specifications, an engineering charge will be assessed if order is cancelled before fabrication has commenced. If cancellation is *after fabrication is started*, cancellation charge will be dependent on extent of work performed.

### Return Goods

No returns allowed on custom made products.

### Limited Warranty

All Elkay products are warranted to be free from manufacturing defects. If item is defective due to faulty materials or workmanship, a new item or like type and size will be supplied. (This warranty does not cover installation charges.)

### Loss and/or Damage in Transit

Our liability ceases upon delivery of the goods to the carrier at our factory. Claims for damage and/or loss in transit to be made by the consignee against the carrier. We will assist and cooperate in the processing of such claims upon customer's request.

### Payment Terms

2% 10th prox.

## ARCHITECTURAL SPECIFICATIONS

Custom made stainless steel sink tops and countertops shall be of sizes and dimensions as shown on plans, and be as manufactured by ELKAY MANUFACTURING COMPANY, Broadview, Illinois and shall be fabricated as follows:

Shall be made of #18 gauge, Type 304, 18-8 stainless steel bonded to and reinforced with #14 gauge steel plate welded to 3/4"x3/4"x1/8" angle iron. 1 1/2" thick wood strips provided for fastening to cabinets. One-piece construction of drainboards, rims, back and return end/s with intersections of 1/4" radius. Drainboards with fan-shaped drain area. Sink bowls with 1 3/4" radius for horizontal and vertical corners integrally and seamlessly welded into top. Overlapping or soldered edges not permitted. Underside sound-deadened. Exposed surfaces blended to an Elkay satin finish.

# Custom Made Sink Products

## ELKAY POINTS OF SUPERIORITY

1. Elkay "Lusterton" Custom Cabinet Sink and Countertops are fabricated of #18 gauge nickel bearing (18-8, Type 304) stainless steel bonded to, and reinforced with, #14 gauge steel plate and 3/4"x3/4"x1/8" angle iron.
2. Intersections where sink bowls meet drainboards are rounded to sanitary radii.
3. Drainboard, sink bowls, raised rims and backsplash are welded, ground and polished smooth to a one-piece seamless appearance.
4. All corners in sink bowls (horizontal and vertical) are rounded to 1 3/4-inch radii.
5. Drainboards have large, fan-shaped areas pitched to drain. To incorporate pitch, drainboard must be minimum 15" long.
6. Entire underside of sink top and bowl is fully undercoated to dampen sound and prevent condensation.
7. Superior surface finish and satin luster achieved through special hand polishing operations by master craftsmen.

## HOW TO MEASURE

1. Measure, in inches, along wall or walls where top is to be installed.
2. Establish overall counter width, front to back, (standard is 25"), including backsplash thickness.
3. Determine height of backsplash (measured from top of raised rim.)\* (Standard is 4") Determine thickness of backsplash, (Standard is 1 1/2").
4. Determine sink bowl size and its location. (See pages 4 and 5.)
5. List special features such as range cutout, return ends, rounded corners, etc. (See pages 6 and 7.)

### \* Explanatory Note:

Elkay Custom Sink Tops and Countertops are provided with our standard 5/32" raised rim. Flat rim is available at no additional charge. For rims other than 5/32" or flat, please refer to Custom Feature #17 on page 7.

## HOW TO ORDER

1. When ordering Elkay custom made stainless steel sink and countertops, accuracy of dimensions is of the utmost importance.
2. Furnish a sketch of sink or counter arrangement marked with proper dimensions, and special features. **Remember, you cannot give too much information.**
3. Always include the following information:
  - a) Show dimension from end of counter to **center line** of single compartment sink models...or
  - b) Show dimension from end of counter to center line of partitions of two or more compartment sink models.
  - c) Specify model number of faucet and other trim desired, if not included with the sink model chosen.
  - d) Indicate manufacturer's name and complete model number of range unit to be installed if applicable.
  - e) Indicate and locate all cutouts or special conditions you require. (See pages 6 & 7.)

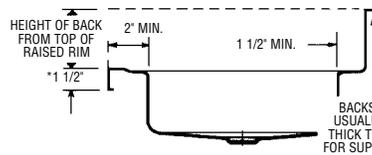

## HOW TO PRICE

### For Basic Counter Tops up to 25" wide

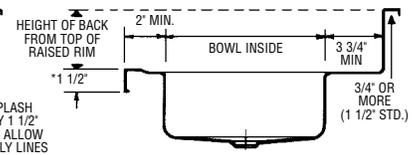

1. Add all wall dimensions to determine total linear inches of counter. From Schedule for Countertops on page 3 locate total inches column one. Under proper backsplash height column, read total price of basic counter.
2. When sink bowl is desired, add to price of basic counters, the price of sink model chosen, as shown on pages 4 and 5 (custom sizes are available).
3. Add the price of all special features applicable, as shown on pages 6 and 7.

# Custom Made Countertops

- List prices on this page cover countertops only.
- For in-between sizes use price of next longer size.
- Length, inches are total wall measurement (straight, L or U shape).
- Prices shown are for countertops up to 25" wide.  
For tops over 25" wide, see Illustration D.
- Pages 4 and 5 show sink bowls and list prices.
- Pages 6 and 7 show prices for additional custom features.

*Extra charge for length weld for Tops over 156" long	647.00	722.00	897.00	954.00	1,031.00
---	--------	--------	--------	--------	----------

Approx. ship wt. per linear foot	22#	24#	26#	28#	30#
----------------------------------	-----	-----	-----	-----	-----

\* Note: For dimensions in fractions of an inch, round up to next full inch to calculate price.

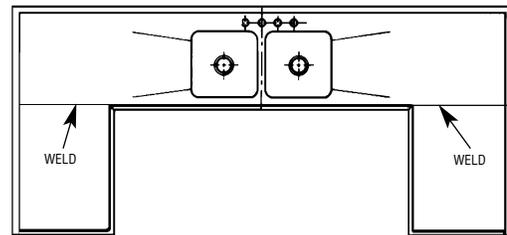

Illustration D

**For Tops Exceeding 25" Wide**

- For sink and/or countertops wider than 25"... add the desired width of top (A) to height of back (B) and use following:
- When total of A plus B is 29" or less, **use price column under 4" back.**
  - When total of A plus B is over 29" to 33" inclusive, **use price column under 8" back.**
  - When total of A plus B is over 33" to 37" inclusive, **use price column under 12" back.**
  - When total of A plus B is over 37" to 41" inclusive, **use price column under 16" back.**

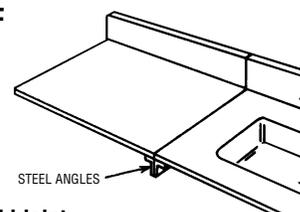

Illustration E

**For welded one piece tops... "L" or "U" shapes.**

- In pricing tops use full wall dimensions and add for **each** weld as follows:
- Unit with no back (up to 25" wide) add ..... \$ 647.00
  - Unit with 4" back or less add ..... 722.00
  - Unit with back over 4" add ..... 897.00

Illustration F

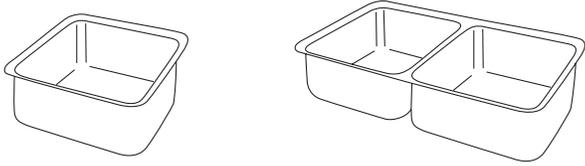

**For tops with field joint**

- (For site assembly)
- For straight, "L" or "U" shaped units requiring field joint (because of structural limitations) add for **each** field joint:
- Unit with no back (up to 25" wide) add ..... \$ 810.00
  - Unit with 4" back or less add ..... 903.00
  - Unit with back over 4" add ..... 1,128.00

## SPECIAL INFORMATION

(Prices for Bowls other than Shown – Available on Request)

Above sink compartments with 3 1/2" diameter hole in center (except for BLR15).  
For drain outlet other than 3 1/2" or off-center, PRICE ON APPLICATION.

\*Special Depths:

- For sink compartment depth over 3" to 7 1/2", use same price as 7 1/2" depth, above.
- For sink compartment depth over 7 1/2" to 10" use same price as 10" depth, above.
- For sink compartment depth over 10" to 12" use same price as 12" depth, above.

The above listing represents standard die-drawn sinks. These have lower prices and shorter lead times than custom-fabricated sizes.

The above bowls can be rotated 90° from above lengths and widths when required.

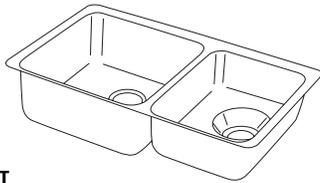

Custom-fabricated bowl sizes are available. Contact your Elkay sales representative for more information.

Please see pages 6 and 7 for custom features available for sink tops.

The above listing represents standard die-drawn sinks. These have lower prices and shorter lead times than custom-fabricated sizes.

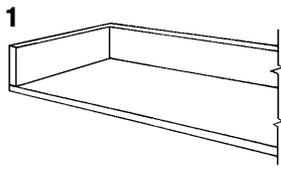

The above bowls can be rotated 90° from above lengths and widths when required.

Custom-fabricated bowl sizes are available. Contact your Elkay sales representative for more information.

Please see pages 6 and 7 for custom features available for sink tops.

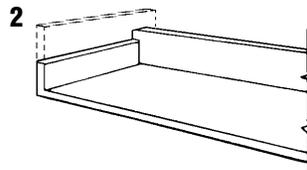

# Custom Features Price Schedule

List Price CUSL-31  
Effective: December 4, 2006  
(Supersedes CUSL-30)

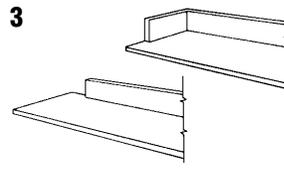

## ADD FOR EACH RETURN END

4" high .....	\$175.00
8" high .....	240.00
12" high .....	290.00
16" high .....	363.00

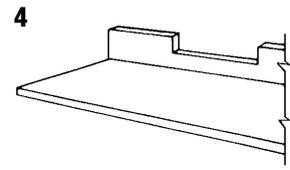

## LOWER/HIGHER BACKSPLASH OR RETURN ENDS

Where return end is lower or higher than height of backsplash of sink or counter top...in addition to charge for return end... add flat charge of .....\$119.00

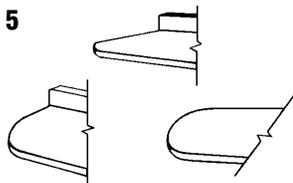

## SHORTER BACKSPLASH OR RETURN ENDS

Where backsplash or return end is shorter than sink length or width... add flat charge of .....\$144.00

## FULL NOTCHING OF BACKSPLASH

Full cutout of backsplash as shown in this example... add flat charge of .....\$249.00

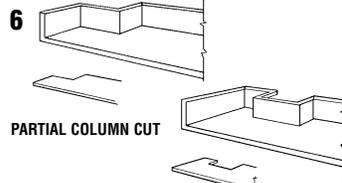

## OUTSIDE RADIUS CORNERS\*

Add the following flat charges to flat or raised rim tops:

	W/RIM	FLAT
Up to 1" radii .....	\$96.00	\$96.00
Over 1" to 3" radii .....	N/A	135.00
Add per inch over 3" radii .....	N/A	28.00
1/2" circle end, up to 15" radii .....	N/A	704.00

\*Not available with feature #17 or #7.

## PARTIAL COLUMN CUT

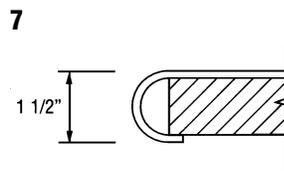

Add following flat charges for this condition:

Unit has no backsplash .....	\$232.00
Unit has 4" back (or less) .....	311.00
Unit has back over 4" .....	462.00

## FULL COLUMN CUT

Add following flat charges for this condition:

Unit has no backsplash .....	\$385.00
Unit has 4" back (or less) .....	549.00
Unit has back over 4" .....	788.00

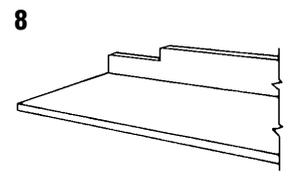

## BULL NOSE FRONT/SIDE EDGE OF TOP

Bull nose offered with 3/4" radius (1-1/2" Dia.) on front and/or sides in place of standard 1-1/2" turn down.

Bull nose is normally provided without a raised rim edge.

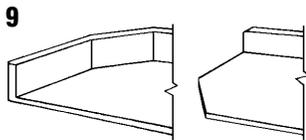

If required with standard 5/32" raised rim feature, bowls need to be located 4" from front and/or side edge of top.

In either above rim condition... add flat charge of .....\$385.00

## PARTIAL NOTCHING OF BACKSPLASH

Partial cutout of backsplash as shown in this example... add flat charge of .....\$187.00

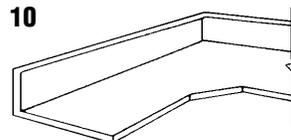

## OUTSIDE ANGLE CUTS

Following flat extra charge applied to flat or raised rim tops.

At corner where there is a backsplash and/or return end .....\$317.00

At corner where there is **NO** backsplash and/or return end .....140.00

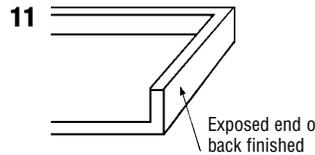

## INSIDE ANGLE CUTS

Following flat extra charge applied to flat or raised rim tops.

INSIDE "L" corner angle up to 6" long .....\$385.00

Add for each additional inch .....48.00

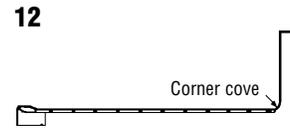

## FINISHED BACKSPLASH

Finishing off exposed backs or ends up to 4" high by 26" in length (or less) add .....\$430.00

Each added inch of length .....10.00

Backs or ends over 4" and up to 8" by 26" in length (or less) add .....496.00

Each added inch of length .....12.00

## COVED TYPE CORNERS

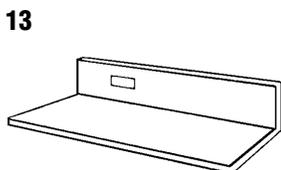

Coved corners where top surface meets backsplash (and/or ends), 1/4" radius is standard (no extra charge).

1/2" or 3/4" radii at back only ....\$197.00

1/2" or 3/4" radii at each return end .....100.00

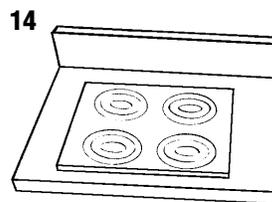

1/2" or 3/4" radii at each partial column cut .....100.00

1/2" or 3/4" radii at each full column cut .....197.00

## ELECTRICAL CUTOUT

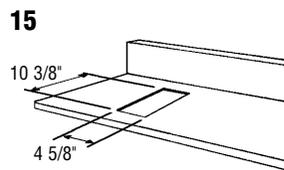

For cutting back with opening to receive one to four gang electric or switch box... add flat charge of .....\$73.00

## DROP-IN RANGE OPENING

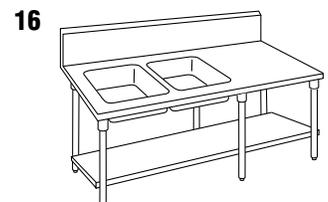

For cutting and reinforcing opening in top deck to receive rectangular gas or electric range... add flat charge of .....\$304.00

(Be sure to furnish manufacturer's name and complete model number)

## NUTONE CUTOUT

Cutout top deck to receive NuTone power unit, location optional. (Be sure to provide clearance of 6 3/4" under counter area at this location)... add flat charge of .....\$241.00

## UNDER SHELVES (#16-Gauge)

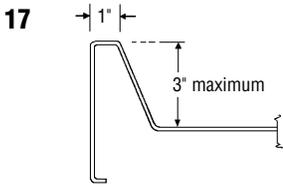

For use under drainboards arranged for bolting to support legs.

WHEN WIDTH IS:

Add for each up to 27 1/2" \$340.00 per ft.  
linear foot { 28" to 33 1/2" 442.00 per ft.

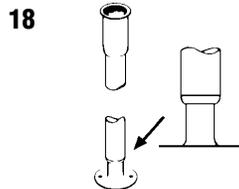

Add for additional leg support as required, refer to #18.

# Custom Features Price Schedule

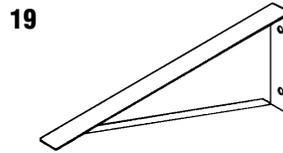

**HIGHER RAISED RIM\***  
Elkay standard raised rim is 5/32". Raised edges up to 3" can be supplied. Add for each linear foot.  
Up to 1" high, per foot .....\$42.00  
1" to 2" high, per foot.....47.00  
2" to 3" high, per foot.....51.00

\*Not available with feature #5 or #7

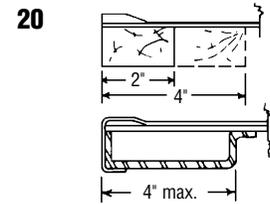

**LEG TYPE SUPPORTS**  
1 5/8" O.D. stainless steel tubing (up to 34 1/2" long)  
Each leg.....\$225.00  
34 1/2" leg places sink 36", floor to sink top rim). Gusset welded to steel under channel of top.

**Note: Add #20B steel channels for proper top support.**

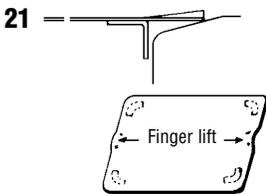

**SUPPORTING BRACKETS**  
#14 gauge stainless steel, angle type solid brackets, each.....\$159.00  
**Note: Add #20B steel channels for proper top support.**

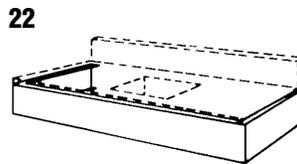

**SPECIAL WOOD FASTENING STRIPS OR STEEL CHANNELS**  
**A.** Wood strips are supplied 2" wide as standard. Add for width over 2" up to 4", add per linear foot . . \$ 10.00  
**B.** Steel channels (instead of wood) add for each linear foot required . . 40.00

Note: Channel support is provided to the front length, left and right widths, for tops over 96" in length, back length also needs to be supported.  
\*See #18 if legs req'd or #19 if brackets req'd.

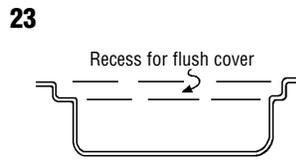

**SINK COMPARTMENT FLAT COVERS**  
Extra charge for each cover made of #16 gauge, polished stainless steel, for any size up to 20"x30" single compartment...  
add, per cover .....\$507.00

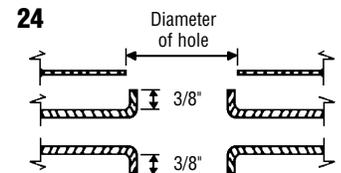

**APRONS FOR SINKS (#18 Gauge)**  
For adding 7" to 9" apron up to 48" length add flat extra charge of .....\$386.00  
Beyond 48" (including return ends) add for each additional linear inch .....5.00

**Note: Add #20B steel channels for proper top support.**

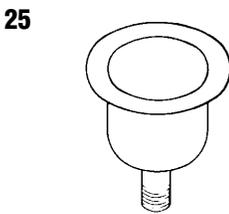

**RECESSING COMPARTMENTS FOR FLUSH MOUNT COVERS\***  
Where this feature is required add, as extra charge for recessing each compartment .....\$507.00

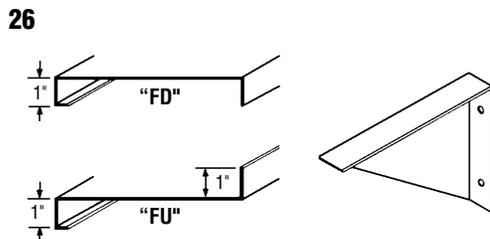

\*Not available on oval and round bowls.

**SPECIAL ROUND OPENINGS**  
For each round opening cut-out up to 1 1/2" diameter, add ..... \$30.00  
Over 1 1/2" up to 6" diameter, add ..... 92.00  
For each vandal proof type hole, add ..... 78.00  
For each hole with 3/8" flange turned up or down, add ..... 188.00  
(No extra charge for furnishing 1 1/2" diameter faucet openings.)

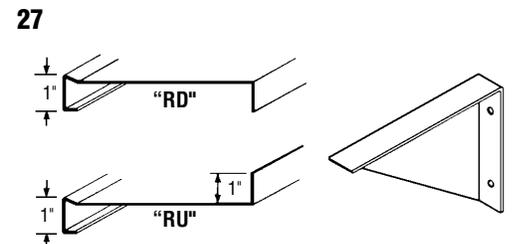

**CUP TYPE SINKS**  
Made of #16 gauge, type #316 stainless steel with 3/4" flange. 1 1/2" IPS, SS outlet, 2 1/4" long tailpiece.  
4" dia. x 4" deep .....\$672.00  
5" dia. x 4" deep ..... 699.00  
6 1/2" dia. x 5" deep ..... 745.00  
Above prices include cost of seamlessly welding each cup sink into countertops.

**STYLE "FD" AND STYLE "FU" SHELVING**  
Fabricated of #18 gauge, nickel bearing (18-8, type 304) stainless steel with flat rim. (Brackets extra).  

	Shelf widths			
	6"	8"	10"	12"
Min, base-(up to 24" long)	\$286.00	\$290.00	\$301.00	\$309.00
Add for each inch of length	9.00	10.00	10.00	11.00
Brackets (#16 gauge St.St.)				
Each	82.00	82.00	89.00	89.00

(If #16 gauge shelving required, add 10% to above.)

**STYLE "RD" AND STYLE "RU" SHELVING**  
Fabricated of #18 gauge, nickel bearing (18-8, type 304) stainless steel with raised rim. (Brackets extra).  

	Shelf widths			
	6"	8"	10"	12"
Min, base-(up to 24" long)	\$334.00	\$338.00	\$348.00	\$358.00
Add for each inch of length	9.00	10.00	10.00	11.00
Brackets (#16 gauge St.St.)				
Each	82.00	82.00	89.00	89.00

(If #16 gauge shelving required, add 10% to above.)

## SPECIAL NOTES

### Optional construction

#16 gauge top construction, with channel type reinforcing members, (less solid reinforcing plate feature) will be furnished at same price as #18 gauge when required.

### Optional materials

Units may also be fabricated of Type 316 stainless steel. Price on application.
