

DM601 S3

B&W
Bowers & Wilkins

A compact bookshelf / stand-mount speaker, the DM601 S3 combines a 165mm woven Kevlar® cone bass / midrange driver with a Nautilus™ tube-loaded metal dome tweeter. Retaining the double skinned baffle construction of its predecessor, the cabinet features extra internal bracing for reduced coloration. Flowport ensures clean bass with good attack that remains more consistent with level compared to simpler designs. The speaker is an ideal solution for smaller rooms. Combine it with the LCR60 S3 centre speaker in an attractive high quality yet unobtrusive home theatre system.

<i>Description:</i>	2-way vented-box system	<i>Impedance:</i>	8Ω (minimum 3.0Ω)
<i>Frequency range (-6dB):</i>	48Hz and 42kHz	<i>Dimensions:</i>	H 365mm W 204mm D 228mm H 14.4" W 8" D 9"
<i>Power handling:</i>	100W into 8Ω	<i>Weight:</i>	6.1 kg / 13.4 lbs.
<i>Sensitivity:</i>	88dB spl (2.83V, 1m)
