The World Fastest Graphics Card**Featuring: RADEON™ X1550****Memory: 256MB****Slot Type: PCIE****With: Dual Link DVI, VGA, HDTV-Out, D-Sub**

Overview

THE GAME IS ON!

Outstanding Digital Entertainment and 3D Graphics

ATI Radeon™ X1550 graphics technology delivers all the high-end graphics features - for gaming, surfing the Internet and watching digital video - at a smart price. The Radeon X1550 series integrates with Windows Vista™ to create a premium visual experience, allows users to connect to multiple monitors and improves visual applications. Are you ready for Windows Vista? Products based on Radeon X1550 graphics technology are an excellent complement to Microsoft's new 3D based operating system, allowing you to get more enjoyment out of movies, games, and digital photos.

AVIVO™

- Video and Display Perfection
