### **Compact speaker system that combines powerful, high-quality sounds with portable convenience**

The SBC BA200 Portable Speaker System delivers superior bass-quality performance at all volume levels, thanks to Dynamic Bass Boost. The amplifier provides plenty of power when required. What's more, this compact speaker system is easy to carry, for musical enjoyment wherever you go!

### **Bass reflex system for punchy bass sounds**

Bass reflex system provides plenty of punchy bass performance for full musical enjoyment.

### **Powerful amplifier with Dynamic Bass Boost**

Dynamic Bass Boost enhances bass performance at all volume levels by boosting the lower frequencies at lower volumes, and reducing the boost when the volume is increased.

### **Volume control knob for easy adjustment**

Full adjustment of volume level to suit personal preference.

### **Suitable for use with PCs**

The magnetically shielded speakers can be safely placed next to TVs and monitors. These speakers, with their 1.5 m cables, are also ideal for use with PCs.

### **Battery operated , with AC/DC adapter included**

To conserve battery power, the speakers can be powered via the included AC/DC adapter.
