

Uni.On backpack

College bag for notebooks - use over the shoulder or as a backpack

Whether you prefer to carry your notebook bag over your shoulder, in your hand, or strapped to your back, the Uni.On will be the right bag for you.

Backpack and bag in one - the backpack straps are concealed in a special pocket when not in use, to make this bag absolutely versatile. A shoulder strap is also included, as well as an ergonomic cushioned handle for carrying comfort.

The notebook is protected against shocks by a separately cushioned interior compartment, while an additional padded compartment holds the power supply unit and cables etc. There is also a document compartment and various internal and external pockets for other accessories.

Available in black.
