R410a Air Conditioners / High Efficiency Heat Pumps

14 SEER

Save Energy, Save Money, Go Green†

Our energy efficient, chlorine-free R410a 14 SEER air conditioners and heat pumps provide exceptional cooling and heating performance and meet the government standards for ozone and environmental safety. They are designed to exceed ENERGY STAR® guidelines for energy efficiency and savings.

Built To Last

Attractive louvered panels protect coils and are easy to service, while the compressors are designed for reliable and efficient money-saving performance. The corrosion-resistant cabinet is built from strong, heavy-gauge prepainted steel and has drain holes to prevent the collection of standing water. While the heat pump liquid line filter driers are already installed, the air conditioner filters are easily installed outside the cabinet to protect the compressor from contaminants.

Design Features

- 14 SEER or up to 15 SEER and 8.5 HSPF heating efficiency with specific AHRI matched systems
- R410a chlorine-free refrigerant meets government standards for ozone and environmental safety
- 1.5 – 5 tons nominal capacity
- Quiet, durable scroll compressor is safeguarded by internal pressure relief valves
- Four-piece louvered coil guard offers easier removal and re-installation during routine maintenance
- High-quality condenser coils use copper tubes with enhanced louvered fins for maximum heat transfer capability
- Equipped with energy-efficient demand defrost control (HP only)
- Permanently lubricated condenser fan motor needs no annual maintenance
- Easy-access corner-mounted service valves
- All models UL-, ULc- and AHRI-listed
- 10-year limited warranty on compressor and parts **

Air Conditioner Unit Dimensions

Model Number	Width (Inches)	Depth (Inches)	Height (Inches)
4AC14L18P	24-1/4	24-1/4	28-1/2
4AC14L24P	28-1/4	28-1/4	32-1/2
4AC14L30P	28-1/4	28-1/4	36-1/2
4AC14L36P	28-1/4	28-1/4	36-1/2
4AC14L42P	28-1/4	28-1/4	28-1/2
4AC14L48P	28-1/4	28-1/4	36-1/2
4AC14L60P	32-1/4	32-1/4	32-1/2

Heat Pump Unit Dimensions

Model Number	Width (Inches)	Depth (Inches)	Height (Inches)
4HP14L18P	24-1/4	24-1/4	28-1/2
4HP14L24P	24-1/4	24-1/4	28-1/2

† Actual cost savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation and local utility rates.

** Warranty provides for a total of 10 years of limited warranty coverage (Standard 5-year limited parts warranty plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. See full warranty at www.alliedair.com for terms, conditions and exclusions.

All specifications and illustrations subject to change without notice and without incurring obligations.
