Removing protective display case and floor/figure:

Note: You will need a Phillips/cross head screwdriver (not included) for removing/assembling parts.

1. Remove the two outside screws on the bottom of the base as shown to loosen and detach the protective display case. **Discard screws.**
2. Remove the four screws on the bottom of the base as shown to loosen the floor/figure.
3. Once you have removed the floor (with the figure attached) from the base, you may reposition the figure/floor to face his or her nameplate, or to face the "Titanium Series" logo. Replace screws to hold floor/figure in place.
4. Replace cover onto base to cover figure/floor.
