

Compact multi-purpose cleaner

Floors of all types can be thoroughly cleaned, quickly and effectively, with these cleverly designed multi-purpose cleaners. The compact CA 240/CA 330 combine performance with all surface versatility. When low noise and manoeuvrability is essential, the CA240/CA 330 are the right choice.

These versatile machines now make it possible to wash, mop, scrub and dry all surfaces. Cleaning of tiled, ceramic and dimpled floors has never been easier. Non-slip and safety floors can also be cleaned, quickly and easily with high productivity.

An efficient belt drive system makes these machines ideally suited for cleaning in noise sensitive areas such as hotels, hospitals and offices.

The compact design and high manoeuvrability allow the CA 240/CA 330 to operate with equal efficiency in congested areas such as classrooms, kitchens and canteens.

The secrets to the efficiency of these units lie in the high brush pressure – ten times greater than with conventional machines, and the two 650 rpm contra-rotating brushes. The result is that even the dirtiest floors can be thoroughly cleaned with the minimum time and effort. The two counter-rotating brushes ensure that floors are left clean and dry ready for immediate use.

- Low noise level
- Only compact machines to combine performance and with all surface versatility
- Aluminium chassis and stainless steel fittings ensure durability
- Options include tank to increase capacity and trolley for easy transport

Better cleaning, less noise

Exceptional brush pressure,
up to 0.25kg/cm²

TECHNICAL SPECIFICATIONS

Description	Unit	CA 240	CA 330
Voltage	V	230-240	230-240
Rated power	W	550	750
Sound pressure level	dB(A)	68	68
Productivity rate theoretical/actual	m ² /h	720/360	1020/510
Scrubbing width	mm	240	340
Solution/recovery tank	litres	1.2/1.2	1.7/1.7
Brush pressure	kg	20	23,5
Brush speed	rpm	650	650
Cable length	m	12	12
Weight	kg	20	23,5
Dimensions (l x w x h)	cm	38x34x21	38x44x21

Specifications and details are subject to change without prior notice.

All tanks are accessible
and removable for easy
emptying, solution change
and cleaning
