

Audiology 3 Charging unit

L 2015

Description

Cat. No. 09828

The L 2015 quick-charging unit automatically recharges two Sennheiser BA 2015 rechargeable battery packs. The battery packs are either inserted directly into the charger or remain in their bodypack transmitters/receivers of the 2015 System or the evolution wireless G2 300 and 500 Series.

Features

Convenient quick-charging
 Charging unit recognizes a fully charged battery and automatically switches to trickle charging
 Temperature and voltage are monitored for increased safety
 Bodypack transmitters/receivers are automatically switched off when they are inserted into the L 2015
 Long battery life due to overcharge protection and regeneration of exhausted batteries
 Automatic fault detection
 Several charging units can be daisy-chained and powered by one power supply unit

Technical data

Input voltage range	10.....20 V DC
Current consumption	400...750 mA
Output voltage	2x 2,9 V
Power supply	2x 700 mA
Cells	NiMH, 2x 1,2V (BA 2015)
Charging time	ca. 2,5 h
Operating temperature	0.....40 °C
Dimensions	145 x 80 x 110 mm
Weight	310 g

Delivery includes

1 L 2015 charging unit
 Operating instructions
