### Save This Manual

You will need the manual for the safety warnings and precautions, assembly instructions, operating and maintenance procedures, parts list and diagram. Keep your invoice with this manual. Write the invoice number on the inside of the front cover. Keep the manual and invoice in a safe and dry place for future reference.

### Safety Warnings and Precautions

**WARNING: When using this product, basic safety precautions should always be followed to reduce the risk of personal injury and damage to equipment.**

**Read all instructions before using this product!**

1. **Keep children away.** Children must never be allowed to climb into this product without adult assistance . Flipping over can occur and can result in injury.
2. **Position this product on a flat grassy area.**
3. **Stay alert.** Watch what you are doing. Use common sense. Do not try to exit this product without assistance when you are tired or you could lose your balance.
4. **Check for damaged parts.** Before using this product, any part that appears damaged should be carefully checked to determine that it will operate properly and perform its intended function. Check for cracked or rusted rings, torn or worn canvas, loose bolts, worn ropes, or any other condition that shows wear and tear of this product. Replace or repair any broken or worn parts before use. If any part of the Hammock (9) is worn we suggest you replace the entire Hammock (9).
5. **Do not leave out in harsh weather conditions.** Sunlight or rain can rot rope and canvas. Always check the condition of this product before sitting or lying upon this product.

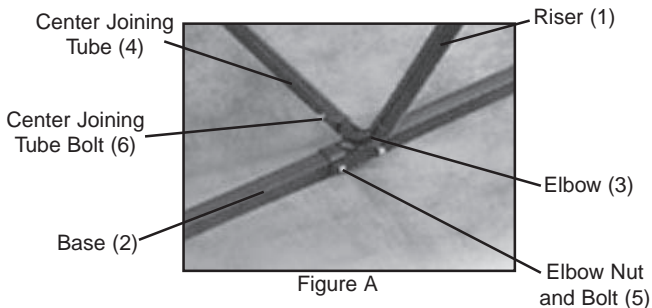

6. **Replacement parts and accessories.** When servicing, use only identical replacement parts. Use of any other parts will void the warranty. Only use accessories intended for use with this tool. Approved accessories are available from Harbor Freight Tools.
7. **Do not use or assemble under the influence of alcohol or drugs.**

## Unpacking

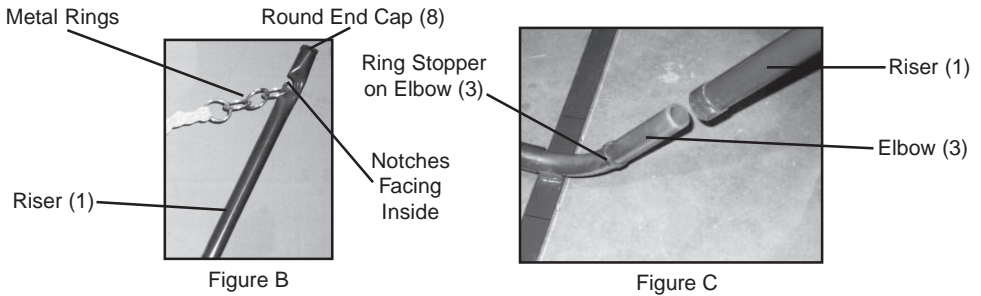

When unpacking, check to make sure the following parts (shown on page 5) are included. If any parts are missing or broken, please call Harbor Freight Tools at the number on the cover of this manual.

## Assembly

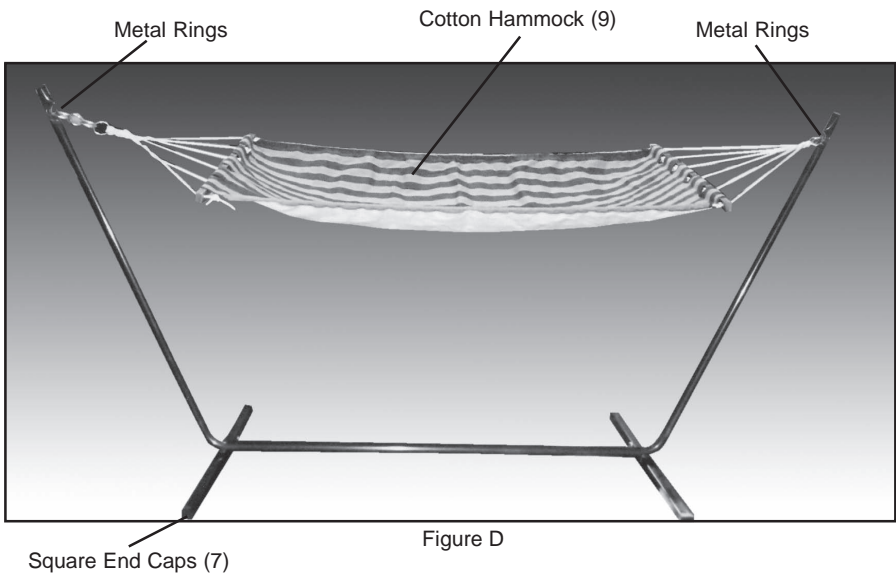

1. Locate both Bases (2). Place each Elbow (3) over each Base (2), line up the bolt holes, and fix in place using the 4 sets of Elbow Nuts and Bolts (5).  
**See Figure A.**

2. Select a surface that will not scratch the finish of the frame. Place both Elbows (3) on each side of the Center Joining Tube (4) so that the horizontal ends are on the inside. **See Figure A.**
3. Insert the Center Joining Tube (4) over the lower part of one Elbow (3) as far as it will go. Line up the Center Joining Tube Bolt (6) with the notch on the Elbow and tighten partially. Repeat on the other side. Tighten both Center Joining Tube Bolts securely. (Check for tightness periodically). **See Figure A.**
4. Attach Square End Caps (7) onto both ends of each Base (2). **See Figure D.**
5. Insert the Risers (1) over the upper part of the Elbows. Be sure the notches for hanging the Hammock (9) are facing inwards. **See Figure B.** The Risers (1) should rest on the Ring Stopper on the Elbow (3). **See Figure C.**

6. Hook the Metal Rings on the Cotton Hammock (9) (left and right) over the Notches. Test to see that Hammock is securely attached before getting into the Hammock. See **Figure D**.
7. Attach Round End Caps (8) onto the ends of the Risers (1). See **Figure B**.

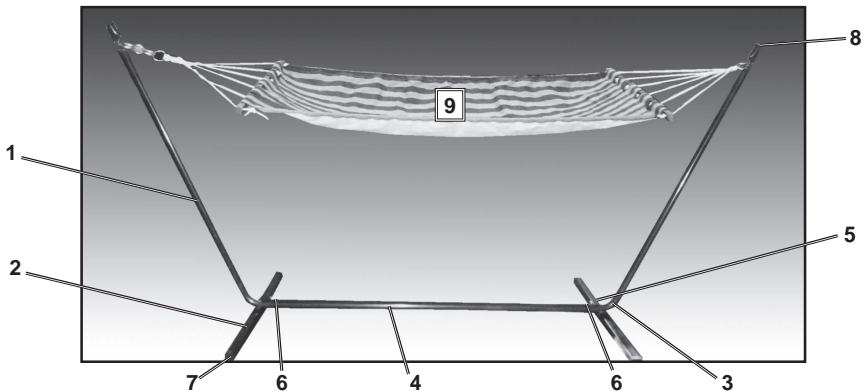

## Maintenance

1. When cleaning, wipe Cotton Hammock with a soft damp cloth. Dry thoroughly.
2. Dismantling and storing during harsh weather will prolong the life of the Hammock.

# PARTS LIST
