Double Burner

Model #16320

For today's consumer who likes to entertain, Deni introduces the Double Burner.

Two extra burners with 2 separate temperature dials allows a lot of versatility for the cook.

Great for keeping items warm - simmer, boil, fry, sauté - whatever you need.

Easy to use. No propane tank. Just plug in - that's all.

This appliance is also great for camping, boating, and college dorms. With its easy to use control dials, this appliance will be a great addition to any kitchen.
