WHY TO BUY IT

Fascinating design for a prestigious solution.

Wireless technology and the optical mouse functionality at work for elegance.

The functional keys allow a fast access to Internet, to the calculator and to MediaPlayer™.

Moreover there are also the direct functions Cut, Copy and Paste. Special keys allow to control CD-Rom player and the volume in order to have an easy listening of the audio supports.

The Software which is included gives visual indications of the Caps Lock Num Lock and Scroll Lock and of the signal level received, , for the batteries state indication.
