Features and specifications are subject to change without notice.
 *1 CPU speed will be reduced under certain operating conditions. *2 Intel® Virtualization Technology is not supported on VAIO. *3 If memory modules of the same capacity are installed to both of the two memory module slots, the supported dual channel mode provides better performance. *4 A portion of the system memory over 3GB may not be available to the operating system. Sony does not guarantee compatibility with memories of other brands. *5 GB means one billion bytes when referring to hard disk drive capacity. Accessible capacity may vary. A portion of hard disk space is reserved as a recovery partition. *6 Compatibility confirmed with Sony branded "Memory Stick" media only. *7 The maximum communication distance can vary depending on the obstacles or the distance between the communication devices, the radio waves, the operating system or the software being used. *8 The communication speed varies depending on the distance between communication devices, existence of obstacles between such devices, the device configuration, the radio conditions, and the software in use. In addition, communication may be cut off depending on the radio conditions. *9 Including cards that can be inserted in direct slots and the supplied memory card adaptor (VGP-MCA20A). *10 As for the Memory Stick PRO media, only Sony branded media is recommended to use with the memory card adaptor (VGP-MCA20A). *11 The copyright protection and high-speed data transfer features of the SD Memory Card are not supported (VGP-MCA20A). *12 Estimated battery life (under JETA Battery Run Time Measurement Method ver. 1.0). Actual battery life may vary with different operating conditions and settings. For further details, please visit vaio-online.sony.com. *13 Though the software is not pre-installed, the official license is registered. It can be downloaded free of charge. *14 This software is intended for evaluation purposes only. It must be activated before actual use, and the activation procedures will be detailed during initial launch. Activation requires Internet access, which enables certain functions included. This software has an expiration date of 60 days from date of first use, at which time the software will operate under reduced-functionality mode, limiting options and operations. *15 Free use of 90 days. Further update will be charged. *16 This product may only function with a genuine Sony battery designed for this model. *17 Warranty conditions may vary by region.

A delicate harmony of mobility, style and power

VGN-SZ75GN/B

VAIO SZ75GN/B has solid features in delicate balance. Like advanced Intel® Centrino® Processor Technology for varied mobile performance and Sony's Hybrid Graphic System, for freedom to choose the graphic accelerator you need. Or the 13.3" wide size offering optimal portability with satisfying Clear Bright LCD features. The full-pitched, full-sized keyboard also is made for maximum usability. Two-toned in Charcoal Black and light silver, enhanced by an aluminium hairline palm rest, the VAIO SZ75GN/B exudes exclusive design. All delicately harmonised into a slim 13.3" wide notebook! Would you expect anything less from VAIO SZ75GN/B?

■ Built-in MOTION EYE camera centred on an LCD bezel

■ Built-in Fingerprint Sensor

■ VAIO mirror logo

Advanced tech styled in a 13.3" wide size

VAIO SZ75GN/B's 13.3" wide size offers optimum display space for efficient business use or movies. Open an application window with a task menu, or two in horizontal layout. The latest operating system, Windows Vista® Business, comes preinstalled and Windows® XP Professional Installer is also provided for the sake of those who use Windows® XP at work. Innovative Intel® Centrino® Processor Technology ensures extremely smooth and powerful mobile performance with the newest accelerated Intel® Core™2 Duo Processor T8100 (2.10GHz), advanced Mobile Intel® GM965 Express Chipset supported by FSB 800MHz, and Intel® Wireless WiFi Link 4965AGN Network Connection. Sony's unique Hybrid Graphic System offers a choice of external NVIDIA® GeForce® 8400M GS GPU or internal graphics accelerator. Use SPEED MODE for 3D games, video playing or editing, and STAMINA MODE for various mobile scenes.

Mobile endurance and security

For powerful mobile performance, long-lasting stamina is essential. VAIO SZ75GN/B offers up to 6.5 hours* with standard battery VGP-BPS9A/B, up to 9.5 hours* with optional battery VGP-BPL9. In addition, VAIO SZ75GN/B is equipped with a TPM security chip, biometric fingerprint sensor, and HDD password capability for quick log-on and extra data security. Fast and smooth mobility comes from VAIO SZ75GN/B's compatibility with wireless LAN standards IEEE 802.11a, IEEE 802.11b, IEEE 802.11g and IEEE 802.11 Draft n (Wi-Fi). And, by sensing shakes or shocks and securing the HDD, VAIO HDD Protection with integrated 3D acceleration sensor prevents important data loss.

* Estimated battery life (under JEITA Battery Run Time Measurement Method ver. 1.0). Actual battery life may vary with different operating conditions and settings. Estimated battery life at "SPEED MODE" will be approximately 1.5 hours shorter for VGP-BPS9A/B and approximately 2.0 hours shorter for VGP-BPL9.

Communication advantages + AV

VAIO SZ75GN/B features advanced mobile PC communication with built-in MOTION EYE camera and mic. Simply turn on MOTION EYE for convenient videoconferencing. Or use Bluetooth®-compatible headsets with applications for smooth voice communication. VAIO SZ75GN/B also features versatile audiovisual capabilities. Sony's new Sound Reality audio chip takes sound performance to a superior level. And SonicStage Mastering Studio Audio Filter with 4 exclusive sound presets works superbly with specially recommended headphones*. With VAIO SZ75GN/B's DVD±RW/±R DL/RAM Drive, archiving your digital masterpieces like home videos, edited movies, or photos couldn't be smoother. For flexible editing capability, take advantage of the integrated Memory Stick Duo slot and ExpressCard™/34 slot plus bundled Memory Card Adaptor. Communicate, create, and listen with VAIO SZ75GN/B!
