- Advanced digital wireless technology for interference-free signal
- 100% private, secure encrypted signal
- Automatic night vision on camera
- Sound level light indicator on monitor
- Monitor has built-in rechargeable lithium-ion battery
- Controllable brightness & volume

Technical Specifications:

CAMERA

Frequency	2.4GHz Digital
Antenna	Dipole
Transmission Distance	Up to 165ft (50m)*
Modulation	FSK, FHSS
Image Sensor	Color CMOS image sensor
Lens	f 6.0mm, f 2.0
Night Vision	9 IR LEDs
Dimensions	3.5" (8.9cm) x 4.2" (10.7cm) x 3.2" (8.2cm)
Weight	6.17oz (175g)
Power	DC 6V or 4 x AAA batteries
Operating Temperature	0°C ~ 40°C (32°F ~ 104°F)

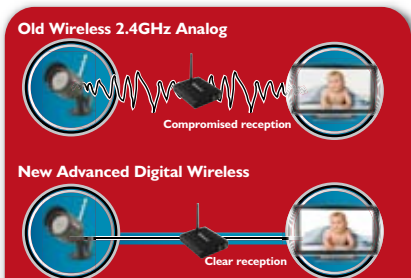

MONITOR

Frequency	2.4GHz Digital
Antenna	Dipole
Modulation	FSK, FHSS
Display	2.36" TFT LCD
Display Colors	Full Color
Brightness Control	5 Steps
Dimensions	2.6" (6.6cm) x 5.7" (14.5cm) x 1.6" (4.1cm)
VOX	Voice Activation Control
Weight	4.23oz (120g)
Power	DC 6V or Li batteries
Operating Temperature	0°C ~ 40°C (32°F ~ 104°F)

* Depends on local conditions

Next Generation

Swann's Advanced Digital Wireless technology leaves the interference of 2.4GHz analog behind

Pack Contents:

- Camera
- Monitor
- Power Adapters x 2
- 3.7V 1000mAH Lithium-ion Battery for Monitor
- User's Manual
