

When everything needs to get done at once, your range hood has to be capable. Here's a solution that's equipped to handle the load.

K260A

This professional-style range hood is available in brushed stainless steel

Deep hood enclosure ensures excellent capture of smoke and odors

Powerful, quiet internal and external blowers, HVI certified performance (see p. 52)

Flexible design allows blowers to exhaust through the top or back of the hood – ducted application only

Dishwasher-safe, stainless steel/aluminum mesh filters

Halogen lamps deliver brilliant work surface lighting

Concealed variable-speed slide control

Heat Sentry™ is a smart feature that detects excessive heat and adjusts speed to high automatically

Optional decorative soffit flue (see p. 50)

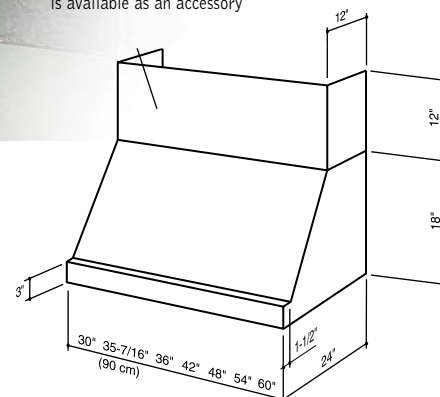

Two halogen lamps in 30", 35 1/8", 36" models; four lamps in all others.

Optional stainless baffle filters complete the professional look.

Optional decorative flue shown here is available as an accessory

Model	Width	Blower	CFM	Finish
K260A	30", 36", 42", 48", 54", 60"	INT. ♦	600, 1200	430 Brushed Stainless
