Audio/Video - 50-ft. PLENUM Rated HDMI Gold Digital Video Cable HDMI-M / HDMI-M

Highlights

- Plenum Rated 50ft HDMI Cable
- Double Shielded Digital Video Cable
- Gold plated connectors provide low-loss
- Bandwidth up to 10.2Gbps - Full 1080p Resolution
- HDMI v1.3 and HDCP compliant

Description

Tripp Lite's 50ft, PLENUM Rated, HDMI - HDMI (High Definition Multimedia Interface) cable allows interconnection between digital display devices, such as DTV's (Digital Television), Plasma displays, LCD TV's, and projectors, to Digital source devices, such as Digital Set-Top boxes, DVD/DVD-R players, and AV receivers. Use PLENUM rated cables where local fire codes call for a fire resistant cable, such as schools, commercial buildings, etc. HDMI assures that the best video signal is always sent from source (HDTV signal, DVD Player .) to the display (Projection Television or Plasma). It does this by allowing uncompressed video and multi-channel audio data to be input to the display device through one single cable. The need for multiple analog connections for high-resolution audio and video are eliminated. Without a HDMI connection, one would need 3 video connections for high definition video and 6 audio connections for high-resolution audio. An HDMI connection allows input at high rates of speed, up to 5 Gbps. This leaves a lot of spare capacity for future applications; for example, a current uncompressed HD movie "only" requires 2.2 Gbps for both video and multi-channel audio. Tripp Lite Lifetime Warranty.

Please Note: HDMI cables are rated for 5 meter/16ft lengths only. Be sure to use Tripp Lite HDMI Signal Booster, [B122-000](#), or, [B123-001](#), with this cable, for maximum signal integrity.

Package Includes

- 50ft PLENUM Rated HDMI to HDMI Gold Digital Video Cable - HDMI-M/HDMI-M

Features

- Plenum Rated 50ft HDMI Cable
- Creates a pure digital connection between HDMI-enabled HDTV display devices and HDMI-enabled digital video sources
- Gold plated connectors provide optimal signal transfer
- Bandwidth up to 10.2Gbps - Full 1080p Resolution
- Premium Double-Shielded HDMI compliant cable protects against outside noise (EMI/RFI)
- Impedance matched twisted pair construction reduces cross-talk and interference
- Available Signal Booster - Tripp Lite [B122-000](#) or [B123-001](#)
- Lifetime Warranty

Specifications

OVERVIEW	
Intended Application	Home Theater/AV
PHYSICAL	
Color	Black
Style	HDMI
Length	50 ft.
CONNECTIONS	
Connector A	 HDMI (MALE)
Connector B	 HDMI (MALE)
Number of Connectors	2
