## The Epson EMP-S3 is ideally suited for:

- Gaming** Project your favourite console game up to 300"
- Sports** Recreate the excitement and atmosphere of the stadium
- Camera** Share your special memories with others on the big screen
- TV** View your favourite programs like you have never seen before
- DVD / VCR** Create a cinema experience in your living room
- Computer** Easy connectivity for instant PC work at home or in the office

3LCD technology achieves brighter, more natural images and smoother, sharper video playback. No colour break up makes images gentler on the eyes.

**E-TORL** Etorl lamps efficiently project light to eliminate light leakage and minimise light diffraction.
