

ACCURATUS IMAGE - SILVER

Combo (USB / PS/2) Mouse with Illuminated Multicoloured Scroll

MOU-IMAGE-SIL

ABOUT

With a colour changing wheel it's the closest thing to having a party on your desk whilst giving you that all important IMAGE. Image is all important in the mouse business, just as feel and accuracy play a major part. The IMAGE mouse from Accuratus blends subtle colours, style and precision into a mouse you can use on a daily basis. The IMAGE mouse is perfect for both male and female users, left or right handed people. Its low profile one piece button assembly gives the product an almost perfect balance.
