LIMITED 90 DAY WARRANTY

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. **THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.**

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

**3491 Mission Oaks Blvd. • PO Box 6009 •
Camarillo, CA 93011 • (800) 444-3353**

IMPORTANT SAFETY INFORMATION

1. Keep out of reach of children.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during use.
3. Keep control of curve while loosening knobs.
4. Inspect before use; do not use if parts are loose or damaged.

APPLICATION AND USE

The 48" Body Panel Profile Gauge is used to transfer or save the shape of a body panel or car part. If you need to reproduce a part you can press this gauge against it, lock the profile of the shape on the gauge, then use the gauge as a reference to help reproduce a new part.

OPERATING INFORMATION

1. Loosen all the finger nuts then press the panel gauge against the part you want to reproduce.
2. **NOTE:** This gauge will only work for large profiles. Not suitable for fine profiles.
3. Have someone else tighten all the locking knobs while you hold the profile gauge firmly against the body panel. See the photo below.

There are no replacement parts available.
