

CVC-6800EX

CVC-6800EX

H.E.A.T Color Day/Night Bullet Camera with SUPER-HAD* Technology and Built-in 3.6mm Lens

Cable through the mount for protection.

Our color day/night bullet camera has SUPER-HAD* technology and a built-in 3.6mm lens. It is the slimmer of the bullet cameras included in the H.E.A.T. line offering the same advanced features. It features a 470 line ultra high resolution picture with a 0.03 lux low light sensitivity. Additional features include low smear level, which prevents glare, pre-set auto exposure, and turbo AGC (automatic gain control). This camera is also available in a 4-9mm varifocal version under model CVC-6805EX (grey housing) and CVC-6805EX/W (white housing).
