

Sports Messenger TARS0501HY

This sporty messenger combines functionality and capacity offering everything you need for all aspects of your busy daily

tech air

S SERIES

15.4" compatible, the S0501 has been specially designed for those in need of a large capacity bag they can use to carry their laptop AND their everyday essentials. With 2 main compartments; one with the unique techair® patented technology to keep your laptop protected and the second, which is expandable, for all those business or sports essentials

With huge capacity for all your business documents and accessories (phone, CDs, business cards, etc.), this red and grey messenger also offers you all the great plus of a sport bag with the space you need for your change of clothes. It's also packed with user friendly features such as M-Port™ to listen to your music while on the move. This robust bag is a great do-it-all solution with fantastic flexibility and functionality and comes with 12 months i-TRAK cover (an exclusive world-wide lost property solution)
