

NEW QUICKFIT™

EASIEST ON AND OFF

WITH ITS EXCLUSIVE TWIST & SEAL DESIGN

JUST TWIST THE QUICKDIAL™
and the contoured cradle adjusts for an effective seal – every time.
No clumsy straps. No hair snagging. No wasted time.

Easier Use For Better Compliance.

Give workers a respirator that's easier for them and they'll make compliance easier for you. New QuickFit – another better idea from AOSafety.

Beyond The Standard™

QuickFit™ Full Face Mask Respirator Replacement Parts and Accessories

PRODUCT CODE	DESCRIPTION
50480-00000	Small/Medium Full Facepiece
50482-00000	Large Full Facepiece
50483-00000	Protective Hood for QuickFit
50661-00000	Faceseal Small/Medium
50662-00000	Faceseal Large
50664-00000	Headgear with Slider
50665-00000	Polycarbonate Lens (Includes 2 cartridge adapters, 2 inner gaskets, and voice box with exhalation valve)
51068-00000	Inhalation Valves for Lens & Nosecup (20 per pkg.)
50669-00000	Exhalation Valve
50670-00000	Nosecup with 2 Inhalation Valves
50671-00000	Frame Kit (Includes Top & Bottom Frame, 2 Frame Bolts, 2 Frame Nuts)
50672-00000	Body
50673-00000	Fit Dial
50674-00000	Handle
50675-00000	Wing Nut with Male Thread Insert
50676-00000	Spring
50677-00000	Reel
50678-00000	Cables for Large size (2 per pkg.)
50666-00000	Cables for Small/Medium size (2 per pkg.)
50679-00000	Outer Gaskets (2 per pkg.)
50680-00000	Frame Nuts (2) & Frame Bolts (2)
50681-00000	Spring Clip Lock
50682-00000	Mylar Lens Cover (9 peel-off windows per pkg.)
50683-00000	Prescription Eyewear Insert
50692-00000	Tinted Mylar Lens Cover (9 peel-off windows per pkg.)

Optional Tyvek® protective hood available.

- Oversized to protect head and shoulders
- Made from Tyvek® material which is resistant to many chemicals
- Engineered with openings for the QuickFit window lens and cartridges and filters

Cartridges and Cartridge-Filter Combinations

8051 & 8051-P100

8051-P100 (8051 Cartridge with P100 Filter)

Organic Vapors and P100: Approved to help protect against organic vapors and solid and liquid particulates that may contain oil (99.97% efficiency).

Product Code 50533-00000, Box of 10
Product Code 50551-00000, Bulk of 72

8051

Organic Vapors: Approved to help protect against organic vapors.

Product Code 50525-00000, Box of 10
Product Code 50555-00000, Bulk of 144

8052 & 8052-P100

8052-P100 (8052 Cartridge with P100 Filter)

Acid Gases, Formaldehyde and P100: Approved to help protect against chlorine, hydrogen chloride, sulfur dioxide, chlorine dioxide, formaldehyde, hydrogen fluoride, escape only for hydrogen sulfide and solid and liquid particulates that may contain oil (99.97% efficiency).

Product Code 50534-00000, Box of 10
Product Code 50552-00000, Bulk of 72

8052

Acid Gases & Formaldehyde: Approved to help protect against chlorine, hydrogen chloride, sulfur dioxide, chlorine dioxide, formaldehyde, hydrogen fluoride and escape only for hydrogen sulfide.

Product Code 50526-00000, Box of 10
Product Code 50556-00000, Bulk of 144

8053 & 8053-P100

8053-P100 (8053 Cartridge with P100 Filter)

Organic Vapors, Acid Gases and P100: Approved to help protect against organic vapors, chlorine, hydrogen chloride, hydrogen fluoride, sulfur dioxide, chlorine dioxide and solid and liquid particulates that may contain oil (99.97% efficiency).

Product Code 50535-00000, Box of 10
Product Code 50553-00000, Bulk of 72

8053

Organic Vapors and Acid Gases: Approved to help protect against organic vapors, chlorine, hydrogen chloride, hydrogen fluoride, sulfur dioxide and chlorine dioxide.

Product Code 50527-00000, Box of 10
Product Code 50557-00000, Bulk of 144

8054 & 8054-P100

8054-P100 (8054 Cartridge with P100 Filter)

Ammonia, Methylamine and P100: Approved to help protect against ammonia, methylamine and solid and liquid particulates that may contain oil (99.97% efficiency).

Product Code 50536-00000, Box of 10
Product Code 50554-00000, Bulk of 72

8054

Ammonia and Methylamine: Approved to help protect against ammonia and methylamine.

Product Code 50528-00000, Box of 10
Product Code 50558-00000, Bulk of 144

8059

Mercury Vapor: Approved to help protect against mercury vapor and chlorine. With end of service life indicator.

Product code 50529-00000, Box of 10

8061 & 8061-P100

8061-P100 (8061 Cartridge with P100 Filter)

Quantum® Plus Multi-contaminant: Approved to help protect against 11 classes of gases and vapors (organic vapors, chlorine, hydrogen chloride, sulfur dioxide, chlorine dioxide, ammonia, methylamine, formaldehyde, hydrogen fluoride, nitrogen dioxide and escape only for hydrogen sulfide) and solid and liquid particulates that may contain oil (99.97% efficiency).

Product Code 50537-00000, Box of 10
Product Code 50550-00000, Bulk of 72

8061

Quantum® Multi-contaminant: Approved to help protect against 11 classes of gases and vapors (organic vapors, chlorine, hydrogen chloride, sulfur dioxide, chlorine dioxide, ammonia, methylamine, formaldehyde, hydrogen fluoride, nitrogen dioxide and escape only for hydrogen sulfide).

Product Code 50530-00000, Box of 10
Product Code 50549-00000, Bulk of 144

Filters

Conform 8000 P100 Filters: Approved to help protect against solid and liquid particulates that may contain oil (99.97% efficiency). Flexible filters can be clipped onto cartridges with 8008 filter clip. 80580-P100 also provides protection against nuisance levels of organic vapors. 80580A-P100 also provides protection against nuisance levels of organic vapors and acid gases.

8058-P100

Does not remove nuisance odors
Product Code 50532-00000, Box of 10
Product Code 50560-00000, Bulk of 200

80580-P100

Removes nuisance levels of organic vapors
Product Code 50567-00000, Box of 10
Product Code 50568-00000, Bulk of 200

80580A-P100

Removes nuisance levels of organic vapors and acid gases
Product Code 50565-00000, Box of 10
Product Code 50566-00000, Bulk of 200

Conform 8008 Clip

Product Code 50573-00000

8057-P100

Approved to help protect against solid and liquid particulates that may contain oil (99.97% efficiency). Encased in plastic shell.

Product Code 50531-00000, Box of 10
Product Code 50559-00000, Bulk of 144

N9520

Approved to help protect against solid and liquid particulates that do not contain oil (95% efficiency). Uses 8000 filter clip.

Product Code 50538-00000, Box of 10
Product Code 50539-00000, Bulk of 50

R9520

Approved to help protect against solid and liquid particulates that may contain oil (95% efficiency). Uses 8000 filter clip.

Product Code 50540-00000, Box of 10
Product Code 50541-00000, Bulk of 50

8000 Clip

Product Code 50542-00000
