3" Chipper/Shredders

Models SC3206 (70050), SC3305 (70080),
SC3305E (70085), SC3342 (75311)

TWO CHIPPING BLADES

High chrome content reversible, heat treated chipper steel blades [3.125" x 2" x .25"] quickly chip limbs up to 3" [7.6cm] diameter. The cutting edge is machined at a 45-degree angle for more steel up front. The 45-degree angle also draws the wood into the chipper.

SHREDDING EFFICIENCY

Exclusive serrated, free-swinging shredder knives are heat-treated for strength and durability. Two edges, which are easily reversed, double the shredding life. Mounted in a staggered pattern to reduce any dead space.

BALANCED ROTOR

- 2 chipping blades with 8 to 12 shredder knives depending on model.
- Belt Drive
- Rotor weighs 16.4 lbs., 3800 rpm

BUILT TO LAST

- Extra strength and reinforcements in areas that matter most
- Built to last with 16 gauge steel construction.

LARGE HOPPER

- Extra wide, extra deep, 15.75" x 7.5"

ALL 3" [7.6CM] MODELS HAVE STANDARD COARSE SCREEN - 1.5" HOLES

DISCHARGE SCREEN

- Heavy-duty discharge screens available in 4 different sizes to fit your particular needs.
- Quick and easy to change

STABILITY

Wide tire track and full width front leg give maximum stability.

TOWING

There are two different types of tow hitches available.

- The 70098 is a Standard Tow Hitch
- The 71113 is a Fold Up Tow Hitch - makes moving from job site to job site in a hurry.

DIAMOND SHAPED CHIPPER CHUTE

Enables you to insert most irregular limbs even if they have some knobs on them.

PNEUMATIC TIRES WITH GREASE ZERKS

- Wheels feature grease zerks, enabling easy greasing of the hub.

DIMENSIONS:

- SC3206 (70050) - Length: 40", Width: 22", Height: 46"
- SC3305 (70080) - Length: 40", Width: 22", Height: 46"
- SC3305E (70085) - Length: 40", Width: 22", Height: 46"
- SC3342 (75311) - Length: 40", Width: 22", Height: 46"

DECIBEL LEVELS:

- SC3206 (70050) - 111 decibels
- SC3305 (70080) - 112 decibels
- SC3305E (70085) - 112 decibels
- SC3342 (75311) - 114 decibels

Noise Emission Directive 2000/14/EC

SAFETY

- Meets all applicable ANSI safety standards.

OPTIONS FOR MODEL 70050:

- 70089 - Leaf Tamper
- 70312 - Fine Screen: .375" Holes
- 70314 - Medium Screen: .75" Holes
- 70492 - Wet Debris Screen
- 70310 - Standard Coarse Screen

OPTIONS FOR MODELS 70080, 70085, 75311:

- 70089 - Leaf Tamper
- 70251 - Blower Attachment Package (ALL MODELS EXCEPT 70050)
- 70303 - Fine Screen: .375" Holes
- 70305 - Medium Screen: .75" Holes
- 70494 - Wet Debris Screen
- 70301 - Standard Coarse Screen
