

Top Traveller Comfort toploader

A comfortable top loader for notebooks up to 15.4"

This comfortable top loader is ideal for any kind of business meeting.

The lockable Notebook compartment is equipped with a Notebook strongbox made of durable HDF padding, the Notebook is simply inserted from the top and is protected from all sides.

Beyond that, the Notebook compartment offers plenty of room for additional equipment.

Documents can be stashed in a separate, two-part document compartment where the wide-opening zippers make for easy access. The workstation in the front compartment takes care of pens, business cards and keys in an orderly fashion and your mobile phone is always ready-to-hand in the concealed side pocket. Power supply units, cables and the shoulder strap can be transported in the designated pocket.

The comfortable carry handle, padded shoulder strap and the trolley fastening strap ensure easy transportation while travelling.

The modern material mix, the black, shiny linen and the high-class zippers make this case a real eye-catcher.
