

454-B RADIANT BATCH BUN TOASTER

Model 454-B

The Prince Castle Dual Chamber Toaster is a versatile multi-channel, multi-product radiant-style toaster. Programmable for different toasting times and products, the 454-B Dual Chamber Toaster perfectly toasts anything from buns to bagels to croissants. The 454-B is front-loading and toasts up to 12 buns at one time. This model is designed to toast one side of the product. Foodmaker Inc. has provided Prince Castle with eight individual toasting times that are pre-set at the factory.

STANDARD FEATURES
